THREE FOUNTAINS BAZAAR 31 OCTOBER 2020

Chantelle van Zyl

Three Fountains view has recently gone under new ownership, and along with the new Pakistani / Indian and Chinese aromas coming from their grills, after speaking to the owner, it is clear that they have a lot of amazing future plans for the property.

The latest initiative you might have seen advertised, is the THREE FOUNTAINS BAZAAR taking place on Saturday the 31st of October. Gates open at 09:00 AM - open until 18:00, with free entry and parking to all Bazaar goers. The Free Parking will also apply to sellers wanting to sell used cars to private buyers, but space needs to be booked.

Arbaaz Khan, co-organizer says: "We have so many local entrepreneurs who can bring quality products to the bazaar, and we would like to extend our invitation to them to book a stall." He says that there are two stall options – R200 which includes a Table, 2 chairs, Sanitizer & Electricity, or R150 for the same package, but without Electricity. All you need to bring along is your own Table-Cloth & Gazebo.

"We think this is the

perfect opportunity for the community of Ladybrand to do their Christmas Shopping whilst supporting local small businesses." He says that a good variety of stalls have already been booked. The sweet tooth in the crowd is sure to find the delicious sweets and treats like mini donuts, candy floss & ice-cream irresistible, while the grills, potato twirls & chips, Indian & Chinese cuisine, as well as a sushi, will leave your mouth to water. The restaurant will also be open for the enjoyment of all local foodies looking to enjoy a proper meal.

Quality Christmas merchandise like personalised baby grows and t-shirts, crochet toys, beautiful wooden items, Christmas eve boxes, cups, decal vinyl stickers and stencils - to name just a few, will definitely take the stress out of your Christmas shopping this year. There will also be a variety of entertainment for the young ones, like a Jumping Castle and games.

Should you want to book a stall, kindly contact Arbaaz/Mahum on 072 810 8906 or 073 003 2630 by the 20th of October, otherwise save the date, and make sure to not miss out on an unforgettable day!

GIVING COVID-19 THE BACKPEDAL

Chantelle van Zyl

The ongoing COVID-19 pandemic has raised a lot of questions regarding how exercise can protect us from infection. Exercise is known to have a profound impact on the normal functioning of the immune system, and while it may not prevent us from becoming infected if exposed, it is likely that keeping active will boost your immune system to help minimize the effects of the virus, or accelerate your recovery time.

Not only can exercise have a positive direct effect on the immune system, but it is also known to counter the negative effects of isolation, and the physical stress it causes. Restrictions to gyms & sports centers were lifted after months of social isolation and confinement, and when you arrive at the Ladybrand Sports Club now, it is buzzing with new

life!

The club has for many years been the place for local sports fanatics to gather and take a breather. The Club offers an 18 Hole Golf Course, Tennis Courts, a Gym, as well as a Clubhouse with a kitchen open to the public from Wednesdays - Sundays. It's where our children learn and practice new skills, the community gather weekly for a round of Golf or a game of Tennis and where fitness athletes can wind down after a day at work.

If sport doesn't raise your pulse, the social membership which includes the collection of as much clean drinking Fountain water as needed, as well as access to the Clubhouse and its facilities – wrapped in the most beautiful view in town, might just be the final Jab to get you hooked – after all, drinking enough water is needed for your body to

process more efficiently, chance when it comes to your immune health! immune system, and in turn can assist in giving Covid-19 the Backpedal.

All and all it seems like the Ladybrand Club is your aid in not relying on punchers

BRAAIED BACON, BLUE CHEESE AND FIG CHILLI POPPERS

With the weather warming up, we've selected this hot & tasty starter for you to try when lighting that weekend braai!

Ingredients:

For the filling:

250 g blue cheese —
crumbled
1 cream cheese
2 whole preserved
green figs — chopped
small fresh chives — finely
chopped

salt and freshly ground black
pepper

for the chillies:

12 pickled jalapeños
12 bacon — streaky,
rashers
24 toothpicks

Method:

To make the filling, place the blue cheese, cream cheese, figs and chives into a mixing bowl and stir well to combine.

Season with salt and pepper to taste.

Carefully slit the chillies on one side from the stem to the tip.

Grab the chilli with your thumb and index finger and gently press to pop open the pocket that you've cut.

Scrape out the seeds and then spoon in a good amount of cream cheese filling, but don't over fill it. Press the chilli together to seal and wipe away any excess filling that pops out.

Repeat until all the chillies are stuffed.

Carefully wrap each chilli in one rasher of bacon then stick two toothpicks through each bacon-wrapped chilli to secure.

Braai the poppers over medium heat coals until the bacon is crisp and the chillies have softened.

Remove the toothpicks and serve.

**WIE ONTHOU NOG VIR
LADYBRAND IN DIE 50'S EN 60'S?**

Oom Wynand Badenhorst het die melk van die plase af na die kaas fabriek Vervoer. Daarna het hy die goedere van die stasie af, afgelewer. Die aflewering is later deur oom Frik Lombaard oorgeeneem. Daardie tyd het die trein nog tot op Ladybrand gekom. Die boere het ook baie goed per trein bestel.

Waar Bergsig woonstelsel nou is was oorspronklik 'n hospitaal wat later 'n meisies koshuis geword het. Ou Terra Terblanche was baie lank koshuis vader. Die seunskoshuis was daar waar die motordiefstal eenheid nou is. Ek was self 'n leerling wat in die koshuis was. Ons was baie stout. Vrugtsteel en uitslip om te gaan brood haal was algemeen. Die brood het ons gekry by die bakery, waar Midas nou is. Hulle was 24 uur oop. Die bakery het aan oom Gert van

Heerden behoort. Ek wonder vandag nog of hy ooit geweet het hoeveel brode ons daar by sy voorman gekry het.

Pappa en Mamma Das was die Koshuisvader. Hy was ook die hoof van die Primêre skool. Mnr. Heckroodt was sy van. Ek wonder of hy ooit agtergekom het van sy biltong wat so verdwyn het deur sy spensvenster. Mamma Das was 'n goeie koshuismoeder. Sy het 'n groeiende seun se honger pyne goed verstaan.

Die skole was Hoërskool, Laerskool en Kleinskooltjie Sub A, B en St.1. Die klein skooltjie was regoor Autorama met juffrou Gordan as hoof. Die Hoërskool hoof was mnr. Jacobs in die 50's en mnr. Kleyn in die 60's. Mnr. Kleyn het die Pawiljoen laat bou.
