GRANDPARENTS TEA AT LILLIPUT PRE-PRIMARY

Correspondent

The term started with one of our favorite yearly activities - having tea with Grandma and Grandpa. This year, we decided to combine our Easter egg hunt with our Grandparents' tea.

Our little ones had the opportunity to decorate Easter bunny ears with the help of their favorite grown-ups and go on a hunt for hidden eggs on our beautiful playground.

We celebrated the true

reason behind Easter with a visit from Pastor Lebohang. He represented CRC Church and came to tell us all about the first Easter. We are so thankful that our community supports us and often comes to visit our school!

Our grandparents really enjoyed the snacks provided by our wonderful staff and spent the entire day playing with their grandchildren. We set out different activities to do and had a wonderful day!

BEEF SHIN STEW

Ingredients:

2 tablespoons SPAR olive oil
2kg SPAR Select beef shin,
cut into large pieces
1 SPAR Freshline onion,
peeled and chopped
3 SPAR Freshline carrots,
peeled and chopped
3 SPAR Freshline celery
stalks, chopped
4 cloves SPAR Freshline
garlic, minced
2 tablespoons SPAR cake
flour
2 tablespoons SPAR tomato
paste
2 cans SPAR (400g each)
chopped tomatoes

1 cup red wine
2 cups SPAR beef stock
2 sprigs SPAR Freshline
rosemary
2 bay leaves
500g SPAR Freshline diced
sweet potato pack or 500g
diced potato
200g SPAR Freshline carrots,
peeled and cut into large
chunks
Salt and pepper, to taste

Method:

Preheat your oven to 150°C. In a large, oven-safe pot, heat the olive oil over medium heat. Add the beef shin pieces and cook until browned on all sides, about 5 minutes. Remove the beef from the pot and set aside. Add the chopped onion, carrots, and celery to the pot and cook for 5-7 minutes until softened. Add the minced garlic to the pot and cook for an additional minute until fragrant. Sprinkle the flour over the vegetables and stir to combine. Add the tomato paste, canned chopped tomatoes, red wine, and beef stock to the pot, stirring to combine. Add the browned beef back to the pot and stir to coat with the sauce. Add the fresh rosemary and bay leaves to the pot. Bring the mixture to a simmer, then cover the pot with a lid and transfer it to the preheated oven. Cook the stew in the oven for 2 hours, then add the diced sweet potato/potato and carrot chunks, then cook for a further hour (approximately 3 hours in total) until the beef and vegetables are tender and the sauce has thickened. Remove the pot from the oven and let it cool for a few minutes. Skim off any excess fat from the surface of the stew. Season the stew with salt and pepper to taste. Serve hot, garnished with fresh rosemary if desired.
